A group of 11 Chinese students travelled to Sydney and then on to Griffith to stay in family homes and attend school at Wade High. They were welcomed to the city by Mayor John Dal Broi and a traditional sausage sizzle at Pioneer Park Museum after which they wandered around the Museum looking at the history of the Griffith Area.

The students spent the week in school with lessons in speaking English and then the daunting task of joining their hosts in class.

There was a visit to Altina Wildlife Park in Darlington Point where they saw the collections of animals. Most exciting for the students was seeing wildlife in the natural environment, such as kangaroos and emus; something that they don’t see where they live, as well as the clear and open night sky and the array of stars.

One special highlight occurred when Aurora celebrated her birthday and a party for her was held at the Yenda Pub. It was a big party with an excellent cake made by her hosts’ grandmother. She just loved it all. Unfortunately there were the inevitable tears as departure time got closer.

On their last day with us they performed their national anthem and another song. Certificates and gifts were exchanged. Thanks to Mayor John Dal Broi for attending.

I’m sure that everyone involved got something out of the experience of sharing their time and learning about the culture of another people.

I wish to thank all the families who took these young people into their homes and I hope that the friendships that have developed during this week will continue into the future.

Principal’s Report

I write this Principal’s Report the day after witnessing the fantastic talents of our Wade High students at the annual MADD night. What a display of outstanding student talent! Singers, musicians and dancers entertained a packed audience at the Griffith Regional Theatre. I would like to personally congratulate all students and staff involved in the production.

As the end of the term comes closer, so does the end of formal schooling for our Year 12 students. In some of our subjects such as Drama and Dance, the HSC performances have already started, again I wish our students all the best in these exams.

This week, Ms Johnson, Miss Reynolds, and I interviewed ten outstanding students who have put themselves forward to be school captains next year. Each one of those students are examples of young adults who are proud of their school and are willing to give their time to make Wade High a better place, I wish them all the best of luck in the elections and would be proud to have each one of them represent the school.

I would like to remind parents that at the moment we have many subject fees that have not been paid. Subject fees go straight back into the purchase of resources for your children.

If you have any concerns, please feel free to contact me to arrange an appointment.

Wade High School P & C Report

**WHS Canteen**
The canteen is an integral part of the school and the P&C. It provides healthy food at a reasonable price, terrific service and ALL profits are invested in resources for the students. A current menu is outlined below. All items can be ordered before school or at recess ready for lunch pick-up.

**Seating project**
Preliminary plans are underway to improve the seating around the school and the P&C will be financially supporting this project made possible through the profits from the canteen.

**Cancer Council Grant**
A submission was recently made on behalf of the P&C to the Cancer Council for a grant to improve shade facilities within the school grounds. Unfortunately WHS was unsuccessful in their application; however sun protection is an area that will be actively pursued in the future by the P&C.

**Subject fees reminder**
All money collected for subject fees is allocated for resources within that subject area. Paid fees ensure resources can be supplied.

We are always keen to have new parents and community members involved in the Wade High School P & C. If you are interested please come along to our next meeting.

FACULTY NEWS

Congratulations and thank you to Miss Baddock’s Year 10 PDHPE class & my Year 9 PDHPE class who have been participating in the NSW Premier’s Secondary School Challenge for 2014. The challenge aims to engage young people in sport and physical activity over Terms 2 and 3. As a part of the challenge both classes had to participate as a team in a minimum of 10 weeks of physical activity and work together to achieve a Gold Award for the team. They had to regularly complete log books as a part of this process and special thanks must go to team leaders Isabelle Wood and Maddi Gatti for compiling this data. It also gives me great pleasure to announce that by successfully participating and undertaking the NSW Premier’s Secondary School Challenge for 2014 the girls have raised $1208.00. This will go towards purchasing new sporting equipment for Wade High School students!!

I would like to take this opportunity to wish Miss Fiona McKenzie well in her role as Relieving Head Teacher PDHPE whilst I go on Maternity Leave next term 😊

Check out what our PDHPE classes have been up to this term in their practical lessons!!

YEAR 10 PASS ELECTIVE

Miss McKenzie’s Year 10 PASS class has just completed a unit on Event Management. Students will have the opportunity to showcase their knowledge and skills when they organise and run the Annual Year 12 Student V Teacher Touch Match on Wednesday 17th September.

YEAR 11 & 12 PDHPE

Year 11 PDHPE are currently completing an online Senior First Aid Course which will be complemented with the practical component on Monday 25th September. This qualification will last three years. Students in Year 11 also have their Yearly Examinations fast approaching in Weeks 9 & 10 and should now be finalising study notes, revising and practicing exam style questions.

Year 11 CROSSROADS - To complement the PDHPE course in senior years at high school, YEAR 11 STUDENTS are required to complete the mandatory 25-hour Personal Development and Health course – Crossroads which will take place in TERM 4. The Crossroads course provides an opportunity to extend knowledge and skills previously developed in the Years 7-10 PDHPE Program. It provides young people with an opportunity to discuss issues which are important to them and to develop skills, action

plans and strategies for managing issues which they may confront in their lives. The following topics are included in the course: Drug Education and Relationships. Miss McKenzie will provide more details in the next couple of weeks.

Year 12 PDHPE students are almost finished their HSC Course and are onto the last Option Module on Improving Performance; which is very exciting. We encourage all students to make the most of their final term at school and use classroom teachers to support them with study and any other areas of concern. Mr Foskett and I would like to wish our delightful senior PDHPE students all the best for their bright futures and endeavours and look forward to hearing about all of your successes in the next few years.

We have obtained some outstanding sporting results over the last few weeks, please check out Miss Baddock’s Sport Report for further details.

Sports Report

It has been a very busy time on the sporting front with many students competing in a range of carnivals and gala days with some outstanding results. I am proud to say that currently we have 8 Wade High teams who have been crowned as Riverina Champions in 2014. What an amazing achievement!!!

Our Wade High Sport Facebook page is going from strength to strength and we are almost up to 500 likes! If you haven’t “liked” us yet – jump on Facebook and like our page. It is the most up to date way to keep an eye on our achievements!

The Wade High Annual Sports Dinner has been booked in for Thursday 13th November – Save the date!!!! More information is to come about this awesome night.

ATHLETICS

Earlier this month approximately 60 WHS students travelled to Albury for the Riverina Athletics Carnival. Our students participated in a wide variety of field and track events and we had some outstanding results. All students participated to the best of their ability and many students achieved personal best times or measurements.

Congratulations to the following students who have qualified for the NSW CHS Carnival in Sydney:

- Maddison CASEY (12 Years Girls) – 100m, 800m, High Jump, Shot Put.
- Blake ARGUS (12 Years Boys) – Discus
- Zack STARR (12 Years Boys) – Discus
- Jesse PATON (13 Years Boys) – 100m, 200m
- Dean SCHMETZER (14 Years Boys) – 800m
- Karanvir AULAKH (14 Years Boys) – 200m
- Zane HOGAN (14 Years Boys) – Shot Put
- Nathan RICHARDS (15 Years Boys) – Shot Put
- Sarah MANNE (16 Years Girls) – 100m
- Bradley COOMBE (16 Years Boys) – 800m

We also have a massive 6 relay teams who have qualified for the State Carnival. They are:

- **12 Years Girls** – Maddison CASEY, Anna TECKLENBERG, Georgia HILL, Mariah COTTON
- **14 Years Girls** – Casey PAYNE, Bree CASTLE, Shivagani KUMAR, Jessica DRAPER
- **14 Years Boys** – Karanvir AULAKH, Broden PIVA, Dean SCHMETZER, Tyrone BEITAKI
- **15 Years Boys** – Tumokai POKA, Brendan ANDREAZZA, Thomas CLARKE, Josh PATON
- **16 Years Girls** – Sarah MANNE, Lucy-Anne AE, Bella HANNON and Maddie PAYNE
- **16 Years Boys** – Ben LANGMAN, Jacob BROOKER, Jacob SCOTT, Ryan MOORE

Massive thanks must also go to Year 10 student Zoe Innes who attended on the day and took some outstanding photos of our students competing. If you would like to see more of Zoe’s photos that were taken on the day, head to our [WADE HIGH SPORT Facebook page](#) to see the album – there are some great shots!! Good Luck in Sydney – enjoy the experience!!!

U15 GIRLS BASKETBALL

Our U15 Girls Basketball team recently travelled to Leeton to compete in the Riverina CHS Gala Day. The girls performed very well throughout the day and were defeated in the Grand Final by only 1 point against Griffith High School. Well done and thanks to Miss McKenzie for taking the team away on the day!

OPEN GIRLS SOCCER

I am sure by now a lot of you are aware of the fantastic achievements of our Open Girls Soccer team. The girls travelled to Sydney twice in 2 weeks and as a result finished in the TOP 4 in NSW!!!! This is an amazing achievement for a country high school and everyone is very proud of the girls efforts. I would like to take this opportunity to thank all the team members who played in the team for their dedication and commitment to Wade High sport and also to Mr. Foskett and the parents who helped the girls get as far as they did. Well done!!!

9/10 TOUCH

Both of our Year 9/10 Touch teams have qualified for the NSW All Schools State Finals in Penrith in November after they both became regional champions at a carnival at Ted Scobie Oval recently. Our students will be training regularly to prepare for the State Finals and are looking forward to the experience of competing against some of the best touch football public, independent and catholic schools from across NSW. The girls will train on Monday afternoons from 3.30-4.30pm and the boys will train on Tuesdays from 3.30-4.30pm. Well done to all students involved!

OPEN GIRLS LEAGUE TAG

Our Open Girls League Tag team have been on a roll this year. After taking out the Griffith All School’s competition – the girls competed in the first round of the Riverina NRL League Tag Championships where they successfully beat Leeton HS, Griffith HS, Marian CC and reigning champions St. Francis College of Leeton to qualify for the Riverina Finals.

The girls travelled to Wagga in early August where they competed against Murray HS from Albury and Wagga High School to decide the Riverina Champion.

The girls were successful in both games and were crowned as Riverina Champions after 2 convincing wins.

The girls played exceptionally well and certainly represented Wade High School with pride.

Well done!

Positive Behaviour for Learning (PBL)

The PBL team are still developing routines for the classroom, but there is a need at the moment for students to be re-taught the expectations of ‘To and From School’ especially in regards to being safe at the bus stop. These lessons will therefore, take place for Years 7-10 during Week 7 with four different faculties to cover the lessons with an allocated a year group. The safety of students at Wade High is paramount and with the continual movement of buses, cars and students at the bus stop, the expectations are explicit to ensure the safety of all students.

The Term 2 & 3 weekly PBL winners, drawn on the weekly Tuesday whole school assembly include; Vagnana Lolotonga, Kaytana Fidow, Broden Piva, Tyler Hulm, Cameron Brain, Naomi Wade, Jordan Magoci and Jack McPherson. These winners receive a $10 canteen voucher as well as the recognition of being a Respectful, Responsible learner.

Also this term we have had our first PBL Bronze Award recipient, Angella Roth, who has received 30 PBL tickets and chosen to exchange for a Bronze Award to contribute towards a Silver Award later in the year. Well Done Angella.

Self Select English

In 2015, the two ‘top’ English classes in Year 9 and 10 will be referred to as Self Select. Students will be required to complete a nomination form and seek references from their previous English teachers to be considered for the classes.

Class A
Determined by grades and the application submitted
This class will be designed for students who can and should be applying for Advanced English.

Class B
Determined by the application submitted
This class will be designed for students who might like to take Advanced or Standard English, but need more intensive direction during their Stage 5 studies to achieve this. This will also include students who are very keen and like being in a class that is extended.

It is our hope that by creating these classes and putting emphasis on student direction and self-regulation, they will be more engaged in their learning and more prepared for the rigors of senior English.

Process
- An explanation of what Self Select English is and how to apply for it will go into Wade Way at the end of Term 3.
- Students will be able to collect application form from their English teacher and the English Staffroom by Week 10 Term 3.
- Applications will need to be submitted by Week 3 Term 4.
- Applications will be reviewed by whole faculty in Week 4 Term 4.

I am looking forward to seeing the applications.

Science Week 2014

Seven Year 10 students who had shown an interest in teaching, went with Mrs Murwood to Yenda Public School to conduct science activities with the students there. Students were involved in the following activities:

- Being a Sugar Detective and identifying how much sugar is found in snack bars, and comparing it to other possibly healthy foods.
- Testing which variety of chocolate melted first, and then discussed how to make their results more reliable.
- Investigation about drought proofing soils by adding hydro gel and finding that more water was held in the soil, making it better for plant growth.
- Checking the structure and appearance of different insects, minerals and gemstones.
- We finished off each session with a model of a volcano, using Vinegar and Bicarbonate of soda (with thanks to James O’Callaghan for his model of a volcano)

Our students performed their tasks with great skill and kept students engaged and asking questions. They were great ambassadors for our school, thanks to Maddison Payne, Georgia Munro, Simona Salvestro, Emily Woods, Chelsea Blunden, Navjot Gakhal and Zoe Stockton.

The Open Girls Soccer team has had a very long but successful season in 2014. The girls finished in the top 4 of the state which is an outstanding achievement and one in which the girls had to work hard to achieve. The season involved 8 games of soccer in which we scored 34 goals and conceded 5. We travelled to Albury once and to Sydney twice in 2 weeks.

A big thanks needs to go out to all the parents and family of the team who supported their daughters throughout the season financially and by being at various games. A special mention needs to go to Dee Cox, Tiziana Fabris and Rosa Vasta for coming on trips with the team. Thankyou very much! Finally, a big thankyou and congratulations need to go to the team as a whole. You did a great job and you have done your school and yourselves proud.
Legacy Junior Public Speaking Award

Luke Woodward, Year 8 and Tegan Fattore, Year 7 participated in the Legacy Junior Public Speaking award on the 25th July in Coolamon.

Both students presented a 5 minute speech and a 2 minute impromptu speech.

Luke’s prepared speech was on how long it takes a migrant to become Australian, and Tegan prepared a speech on the Munich soccer team’s air disaster.

Both students gave well prepared speeches, and Luke was the overall winner of a very articulate group of competitors.

Luke and Tegan are wonderful public speakers and terrific ambassadors of our school.

Luke will now compete in the state semi-final at State Parliament House in Sydney on the 12th September and we wish him all the best.

Celia Lashlie Live

“Growing Gorgeous Boys Into Good Men”

A researcher and social commentator, Celia Lashlie worked for 15 years within the Prison Service. In 1985, she became the first woman to work as an officer in a men’s prison in New Zealand. Her final role in the service was as Manager of Christchurch Women’s Prison until 1999.

Celia, who has a degree in anthropology and Māori, is the mother of two adult children and Nana to three.

She now works on a number of projects, all of which are linked to improving the lives of at-risk children and empowering families to find their own solutions to the challenges they face.

In September 2004, she completed the “Good Man” project. The project, which facilitated discussion within and between 25 boys’ schools throughout New Zealand, aimed to create a working definition of what makes a good man in the 21st century.

The project provided a significant insight into the minds of teenage boys and what they are feeling during this period of their lives.

Celia’s insights will challenge the way teachers manage the behaviour of boys in the classroom. She will also seek to raise the awareness of female teachers about the way they interact with boys and will present some ideas about the impact of what she sees as boys’ pragmatism on their study habits and the way they approach school life.

TAS Happenings

How awesome was MADD night? What an amazing showcase of the talent at Wade High School! I hope that if you saw the show you also took the time to appreciate the artworks displayed in the foyer. Well done to all the staff and students who were involved.

Year 10 Food Technology are getting excited about their upcoming Restaurant Days. The students have been busy creating amazing invitations, planning menus and trialling recipes. This year’s Restaurant Days have the following themes:- Mexican, Modern Retro, and The Barn and Outback!

Mrs Casey had students cooking for Carevan again. This time the students made rissoles in gravy with mash. The students made approximately 400 rissoles! They are to be commended in their participation of this great community service work. Over the year Wade High School will be catering for Carevan 9 times in total.

Year 12 Visual Art students have completed their Major Art projects this week. Not long to go now for our senior students.

Year 11 Hospitality have started running Café on Poole coffee shop service at recess on Thursdays. The students set up a pop up coffee shop each week and serve light menu items as well as coffees and milk shakes. On the menu this week are Thai style chicken sausage rolls and white chocolate and raspberry muffins.
