Costa grows knowledge in students

Last week on the 15th October Wade High was lucky enough to have a visit from Australia’s very own gardening guru Costa Georgiadis, from ABC Gardening’s Australia program.

Costa explained many of the environmental problems facing Australia, the importance of sustainable gardening and how future generations need to move away from a “throwaway society”.

Costa spent time in our Aboriginal garden; he discussed the importance of saving/replanting our spring onion seeds to create a genetically superior plant for our local climate and conditions. He also recognised that our mint had gotten out of control over the wet winter and suggested that instead of just pulling it all out, the students could pick it for the home economics department, pot the mint and sell it to the teachers or at the local markets.

Costa also helped redesign our senior quad with plant distribution ideas and he gave us very important tips to help our garden thrive, for example winter shading, drainage and providing predator cover for native birds.

On behalf of Wade High we would like to thank Costa for planting seeds in our minds, inspiring us to be environmentally friendly and work towards a better world.

Brock Billing & Miss Finigan
Principal’s Report

Well Term 4 has begun in a flurry of activity – and it doesn’t look like slowing down any time soon! It will be a hectic time for all.

Firstly, we held the Year 12, 2015 Graduation Ceremony at the Griffith Regional Theatre on Day 1 of Term 4. It was a wonderful celebration of achievements – academic, sporting and cultural for a terrific group of young adults. Along with their parents, I watched them all with pride. I would like to thank Mrs Foley for her organisation of the event and Mr Roach for being the Master of Ceremonies. It was a special day. The following week, HSC exams commenced. I went with Ms Jobe to the English exam to talk to students to assure them it would all be OK and that staff were there for them if they needed support. By and large, all students looked very satisfied with the exam and how they had prepared (that was a huge relief!). Students have still been ‘in and out’ of school getting that ‘last minute tuition’ as for example, Mr Roach’s morning sessions or Mrs Hill’s ‘multiple choice madness’. It’s really quite a thrill to see them using the staff as a resource in those pre-exam days. As I write this, the HSC exam timetable enters its final week. Once done, the wait for results begins. With this in mind, 29 students applied for Early Entry to Wollongong and 15 were asked to interview. Of these 15, 14 were those pre-entrance students.

With this in mind, 29 students applied for Early Entry to Wollongong and 15 were asked to interview. Of these 15, 14 were those pre-entrance students. For the vast majority, the preparation was well underway, with a dream. No one who witnessed that dance would not have been moved by it. The Week 2 saw Year 9 host their Commerce Enterprise Day. Well!! What a wonderful idea. Ms Sergi was there early (not as Brock Billing setting up the Bacon & Egg Roll situation!) to ensure everything went to plan. Week 4 will see World Teachers’ Day on Friday, October 31. World Teachers’ Day is held on the last Friday of October each year. This year, I have purchased badges for staff with educational sayings on them and we will hold a special morning tea for all. On Friday, it’s really important that students, if they feel like it, thank those staff who make a difference to them. There are a few ways teachers are recognised for what they do, but saying thank you means so much.

Congratulations to Ms Hartland and Ms Hyde for their tireless work to see this event occur and my sincere thanks to the more than 70 people who attended the Graduation Ceremony, and out of school getting that ‘last minute tuition’ as for example, Mr Roach’s morning sessions or Mrs Hill’s ‘multiple choice madness’. It’s really quite a thrill to see them using the staff as a resource in those pre-exam days. As I write this, the HSC exam timetable enters its final week. Once done, the wait for results begins. With this in mind, 29 students applied for Early Entry to Wollongong and 15 were asked to interview. Of these 15, 14 were those pre-entrance students. For the vast majority, the places offered were for their first choice of course – which is wonderful.

Course ranged from Teaching to Business & Law to Economics, Business & Finance. Congratulations to you all. This certainly relieves some of the pressure of exams. Thanks to Mrs B ergamin for her help in the process.

Week 3 saw our first “Live To Dance” concert, celebrating a range of styles of dance, with dancers from all years in the school. As dance is on our “shared line” all three local high school were represented on the night. Marian Catholic College Principal, Alan LeBroque, commented on the power of us all working together to ensure students achieve maximum potential. It’s a great positive to see all schools represented, working towards a common goal, and we’re very fortunate Wade can provide the platform for this to occur. Congratulations to Ms Hartland and Ms Hyde for their tireless work to see this event occur and my sincere thanks to the more than 70 people who attended and were, I believe, thoroughly entertained. Of particular note was a stirring and powerful performance by Year 12 student, Maddison Tyndall, whose core performance piece was choreographed to Martin Luther King’s speech, ‘I have a dream’. No one who witnessed that dance would not have been moved by its message around the concept of ‘Equality & Racism’. Maddison’s piece embodied the values of Public Education regarding compassion, empathy and tolerance. Congratulations to Maddison and we wish her much success in the HSC in this and all her subjects.

Week 4 will see World Teachers’ Day on Friday, October 31. World Teachers’ Day is held on the last Friday of October each year. This year, I have purchased badges for staff with educational sayings on them and we will hold a special morning tea for all. On Friday, it’s really important that students, if they feel like it, thank those staff who make a difference to them. Maddison’s piece embodied the values of Public Education regarding compassion, empathy and tolerance. Congratulations to Maddison and we wish her much success in the HSC in this and all her subjects.
Principal’s Report continued ……

much! This is also a week for study because exams are upon you!! Summarise, read your notes, practice questions – there’s lots you can do to prepare.

Week 5 will be junior exams week and Year 11 (now Year 12) Preliminary HSC Report Ceremony. Here, you’ll be told the Rules of BOSTES and how you will need to comply to complete the HSC.

The hectic times will continue in the second half of term – but that’s for the next and final instalment of 2015. Vintage is currently in print and will be ready soon – so make sure you get your copies to hold onto those precious memories of this year!

Until next time.

Yours in Education,

Kim Dixon
Principal

P&C Report

Next Meeting: 9th November 2015 7:30pm in the WHS staff common room

All parents and community members are invited and very welcome.

Wade High School
2015

Presentation Evening
Tuesday 15th December
7.00pm

Griffith Regional Theatre

The Wade High School Presentation Evening will be held in the last week of this term. Students who will be receiving an award will be notified via a written invitation from late November to December. The invitation delivery is staggered so students in different years will receive them at different times. We look forward to hosting this prestigious event and recognising the achievements of our students. Should you have any questions regarding this event please contact Mary Casey.
EXTERNAL EVALUATION

Dear Parents and Caregivers,

Our school is always interested in improving the way we cater for our students’ education. Sometimes this can be done by changing our organisation, offering new courses or developing further what we are already doing. The school can conduct an external evaluation to help improve programs for the benefit of all students, improved student learning outcomes and the implementation of the School Plan (available for your perusal on the school web-site).

An external evaluation of our school in the area of Industrial Arts has been scheduled from Thursday October 19, 2015 to Friday October 30, 2015. A team will be visiting us at that time, and parents may be asked to participate in a phone interview with the team to talk about the school in a relaxed atmosphere. Your ideas for improvement will be most welcome. A group of parents will be randomly selected to have a telephone discussion with a team member. If you are not selected but would like the opportunity to speak with the Evaluation Team, please contact me here at the school.

A random sample of students will also be involved in discussions with the evaluation team. Parents have the right to exclude their children from the evaluation process. If you do not wish your child to participate in discussions with a member of the evaluation team, please contact me.
Staff will also be randomly selected to be interviewed, using the same Terms of Reference and criteria as the aforementioned groups.

The outcome of the external evaluation will be an evaluation report which we will be able to use for further planning. We look forward to your support and contributions.

Any reflection on current practice and how to improve should always be seen as a positive idea – and we are always asking our students to reflect on where they are ‘at’ and how to move along the continuum to the next level and what they’ll have to implement, change or rationalise to do that, so it’s only fair that students and parents see that we, as professionals, are also willing to scrutinise practice, performance and outcomes to demonstrate growth and improvement.

WADE HIGH STUDENTS IN THE SPOTLIGHT
Interviews with our new School Leaders

NAME: Ryan Moore
YEAR: 11

WHAT'S YOUR GREATEST ACHIEVEMENT? This is a hard question, but maybe when I took 5 wickets in one game of cricket.

WHAT DOES THAT INVOLVE? Getting 5 batsman out while I was the bowler.

DO YOU HAVE ANY ADVICE FOR OTHER WADE HIGH STUDENTS LOOKING TO EXCEL IN ANY AREA? Find what it is that motivates you to work towards the goals or marks you desire, and involve that motivation as much as you can in your life.

FAVOURITE SUBJECT: Mathematics.
FAVOURITE TEACHER: Mr Roach.

WHAT DO YOU LIKE MOST ABOUT WADE HIGH SCHOOL? The excellent support we constantly get from teachers and the large variety of sporting opportunities.

NAME: Gabriella Smith
YEAR: 11

WHAT'S YOUR GREATEST ACHIEVEMENT? Being elected School Captain for 2016

WHAT DOES THAT INVOLVE? Being a leader and role model for WHS students.

DO YOU HAVE ANY ADVICE FOR OTHER WADE HIGH STUDENTS LOOKING TO EXCEL IN ANY AREA? Just try your best and remember to keep a balanced lifestyle and not to stress too much.

FAVOURITE SUBJECT: Biology.
FAVOURITE TEACHER: Miss Chilvers

NAME: Thea Bianchini
YEAR: 11

WHAT'S YOUR GREATEST ACHIEVEMENT? Making it to State Swimming.

WHAT DOES THAT INVOLVE? Years of hard training in the pool, dedication and perserverance.

DO YOU HAVE ANY ADVICE FOR OTHER WADE HIGH STUDENTS LOOKING TO EXCEL IN ANY AREA? You can achieve anything you put your mind to. It takes a lot of effort and commitment to accomplish your goals.

FAVOURITE SUBJECT: French.
FAVOURITE TEACHER: Mrs Brain

WHAT DO YOU LIKE MOST ABOUT WADE HIGH SCHOOL? I like how every teacher is very approachable and the generally friendly atmosphere.

NAME: Mitchell Treverrow
YEAR: 11

WHAT'S YOUR GREATEST ACHIEVEMENT? Winning the INBA Regional Fitness Competition in the Opens Mens Division, then receiving an invitation to be a Pro qualifier.

WHAT DOES THAT INVOLVE? Years of weight training with 12 weeks of strict diet and training plans. Mens Fitness is a division of bodybuilding.

DO YOU HAVE ANY ADVICE FOR OTHER WADE HIGH STUDENTS LOOKING TO EXCEL IN ANY AREA? Find a passion and develop goals to dedicate to. Work hard because once the hard work is over you will be proud of your achievements.

FAVOURITE SUBJECT: Maths and Physics.
FAVOURITE TEACHER: Too many to choose from.

WHAT DO YOU LIKE MOST ABOUT WADE HIGH SCHOOL? I like how the students are allowed to express their individuality and form beneficial relationships with teachers.
WADE HIGH STUDENTS IN THE SPOTLIGHT
Interviews with our new School Leaders continued …………

NAME: Jacob Brooker
YEAR: 11
WHAT’S YOUR GREATEST ACHIEVEMENT? Representing Riverina in football in Year 8.
WHAT DOES THAT INVOLVE? Playing soccer.
DO YOU HAVE ANY ADVICE FOR OTHER WADE HIGH STUDENTS LOOKING TO EXCEL IN ANY AREA? You can achieve your goals at any age.
FAVOURITE SUBJECT: All of them.
FAVOURITE TEACHER: Mr Roach
WHAT DO YOU LIKE MOST ABOUT WADE HIGH SCHOOL? Freedom.

NAME: Kelsie Parsons
YEAR: 11
WHAT’S YOUR GREATEST ACHIEVEMENT? Having the courage to start over at a new school in Year 9.
WHAT DOES THAT INVOLVE? Improvement of grades from D’s to B’s/A’s and making new friends that I still feel blessed to have.
DO YOU HAVE ANY ADVICE FOR OTHER WADE HIGH STUDENTS LOOKING TO EXCEL IN ANY AREA? Don’t compare yourself to other people’s successes and put yourself down. Do your own best and be proud of your achievements.
FAVOURITE SUBJECT: Drama.
FAVOURITE TEACHER: Ms Johnson/Mrs Gabrio.
WHAT DO YOU LIKE MOST ABOUT WADE HIGH SCHOOL? Most teachers teach in ways that make students want to learn. Students aren’t pressured to be the best, smartest student in the class room but rather are just encouraged to be the best that they can be.

WHAT HAVE OUR WHS STUDENTS BEEN UP TO???

Luke Woodward
YEAR: 9
WHAT’S YOUR GREATEST ACHIEVEMENT? Making it through to the State semi-final of the Junior Legacy Public Speaking Competition.
WHAT DOES THAT INVOLVE? Giving a speech to get selected and then winning the district final of the competition.
DO YOU HAVE ANY ADVICE FOR OTHER WADE HIGH STUDENTS LOOKING TO EXCEL IN ANY AREA? Believe in yourself, be courageous and determined and never give up, even when things are tough.
FAVOURITE SUBJECT: PDHPE.
FAVOURITE TEACHER: That’s hard! Mr Brain, Mr Young or Mr Bozic!
WHAT DO YOU LIKE MOST ABOUT WADE HIGH SCHOOL? The fact that the majority of the teachers are always willing to give extra help and guidance to the students when required.
Notes from Year Nine

Congratulations to:

- The Year Nine dancers who participated in Live to Dance! It is great to see you getting involved
- The Youth Frontiers participants who are nearly at the finish line with their projects
- Sasha, Annalise and Lily – the supercoaches of the Under 15 Girls’ Netball team
- Katie Romeo, our citrus sculpture rep!

Reminders:

- SRC 2016 - get your nomination forms from Mrs Gabrio. It would be wonderful to see your leadership skills develop as you get involved.
- Year 9 Lake Burrendong excursion notes and payments are due 9th November 2015. Please ensure you complete the medical form online for Sport and Rec.
- English Self-Select forms can be returned to the English staffroom. It doesn’t matter whether you were in a self-select class this year, all applications will receive equal attention.
- The last day to hand in Silver and Gold Awards is November 30th. Make sure you get your certificates in to make them count!

I’m really looking forward to our excursion, only 5 weeks to go!

Keep up the great work,

Miss Tweedie
Whooping Cough Alert

Whooping cough information for schools
There is an outbreak of whooping cough (pertussis) in NSW, mainly affecting school-aged children.
Coughing spreads the infection to others nearby. Whooping cough can spread to anyone at home, including younger brothers and sisters. Whooping cough can be especially dangerous for babies.
Whooping cough starts like a cold and progresses to bouts of coughing that can last for many weeks. The infection can occur even in fully-vaccinated children. Older children may just have a cough that is persistent and may be worse at night.

- Children with these symptoms should see a doctor.
- If your doctor diagnoses whooping cough in your school-aged child, please let the school know and keep your child at home until they have taken 5 days of antibiotics. Keep coughing children away from babies.
- Whooping cough vaccines give good protection against infection but immunity fades with time. Check that all your children are up to date with their vaccines, due at 6 weeks, 4 months, 6 months, 4 years and 12 years of age (offered to all Year 7 students through the NSW school-based vaccination program). A booster is also recommended at 18 months of age.

A booster dose of vaccine is also recommended for adults that are in contact with young children, such as school staff and parents. Pregnant women are recommended to have a booster dose during each pregnancy and this is funded by NSW Health. Those who are new parents or carers of babies should consult their general practitioner about appropriate immunisation.

Your local public health unit can provide advice about whooping cough on 1300 066 035 or visit the NSW Health website for information for childcare and schools about whooping cough.

TAS Happenings

So many great things have been happening in the TAS Creative Arts faculty already this term.

Students in year 10 are to be commended for volunteering to help Mrs Casey with Carevan Cooking. Last week they prepared Spaghetti Bolognaise.

Year 8 Art have been learning about Mandala design. Mandala means a circle in Sanskrit. The Mandala design radiates out from the centre. It is ancient and universal in cultures everywhere. Students are working together in groups to do a project based on Mandala.

Year 11 Food Technology are looking at The Australian Food Industry. They have been looking at Case Studies on GM Foods and Organic Farming. Students will be taste testing Preshafruit as an example of an emerging technology.

Year 11 Hospitality students have been running “Café On Poole” again this term, much to the delight of teachers. The chicken parmigiana burger and fresh fruit salad was a definite hit. Next on the menu is lasagne and salad where students will practice making a roux.

On November 12th and 13th we are pleased to offer RSA and RCG courses(for $140) for interested students. These are being run by Hospitality Training Australia. Students who are interested in gaining these qualifications should see Mrs Gee for more information. Students wishing to complete the course need to complete the on-line enrolment at Hosptrain.

Mrs Gee
Head Teacher TAS Home Economics
Bon Appetit
RESTAURANT DAY
Industrial Arts Report

We are now in the final term for 2015 and how it has flown. Year 12 projects are finished and have been marked and these students are now doing their HSC Exams. We wish them all the best with their exams and in the future. Mr Casey has taken up a position as HSLO at Regional office for the rest of this year and I would like to thank him for his work this year. Mr Collis is in Sydney for a week being trained in VET Metals and Engineering which is excellent. Mr Dollin has been working overtime to get our new citrus sculpture ready and it looks fantastic down the main street.

A reminder to all students that safety is the number 1 priority and students must wear their PPE when in the practical classroom. This includes wearing appropriate leather shoes.

Grant Semmler
Head Teacher
Industrial Arts

Some of the great work students have been doing in Industrial Arts:
Year 11 Chronicles

Welcome back to Term 4, 2015. You have finally made it through your Preliminary Courses and have now commenced your Higher School Certificate Courses. This is a huge achievement for all of you, and we congratulate you on making it this far. But the hard work isn’t finished yet, the next twelve months will be tough, however if you put in the effort you will reap the rewards next year.

I would like to start off by congratulating all of the Year 11 students who nominated for School Captain this year. We had 11 amazing candidates seeking to lead Wade High School in 2016. After reviewing the applications, each candidate was allocated an interview time with Mrs Dixon, Miss Jobe, Mrs Gabrio and Mr Heron. These interviews were a chance for the students to promote their capabilities and skills for the role and to engage in positive communication with staff about their ideas for the future of the school. All students presented themselves in a positive manner and we were immensely impressed with their pride in our school and their achievements so far.

Congratulations to our 2016 School Captains:

Ryan Moore
School Captain 2016

Mitchell Treverrow
Vice-Captain 2016

Gabi Smith
School Captain 2016

Thea Bianchini
Vice-Captain 2016

After careful consideration Mrs Dixon and Mrs Gabrio decided that Wade High would benefit from having two school leaders who are:

Jacob Brooker
School Leader 2016

Kelsie Parsons
School Leader 2016

Congratulations to these six students and to all the candidates who were involved in this process!

Miss Gorton and Mr Heron are busy checking your final Preliminary Reports. They are reading your reports, looking at your participation in school activities and writing your Year Advisor Comments. It is essential to understand that you may be required to present your Preliminary Reports during Early Entry processes next year, so if you’ve dropped the ball this year, make sure you work on the areas for improvement identified in these reports.

Your final report ceremony for 2015 is coming soon. Final preparations are currently being made, and we will let you know the date of this very soon. This report ceremony will be slightly different to previous years, so it is a very exciting time to be a Year 11 student. At this ceremony, you will also receive some important information about the rules and procedures surrounding the Higher School Certificate. It is essential that you understand these rules and procedures as they are very different to previous years.

In Week 3, Year 11 completed their mandatory PDHPE course called ‘Crossroads’. Crossroads is a mandatory program for students in Years 11 and/or 12 in NSW government schools. It is designed to help senior students address issues of
Year 11 Chronicles continued …..

health, safety and wellbeing at a time when they face significant changes and challenges in their lives. Crossroads aims to prepare and support these students as they encounter situations related to identity, independence and their changing responsibilities. Crossroads aims to build students’ sense of empowerment and respect for themselves and others.

As part of the program, 53 students participated in a Crossroads Excursion to the Boramabola Sport and Recreation Camp outside Wagga. It was a full on three days, with Crossroads sessions conducted by the Boramabola staff, participation on the high ropes and attempting archery, along with a wonderful session on mindfulness from Miss Gorton that involved colouring in and some meditation. Overall, the students behaved well and actively participated in all activities. It was wonderful to get to know you all better as your Year Advisor. The remainder of the Year 11 cohort remained at school where they completed the course. You can see some of the nearly 250 photos taken throughout the three days on the next page!

Very soon you will receive your HSC Course Assessment Booklet. It is essential that you read this carefully and understand the rules and regulations regarding the HSC. Your HSC year is very different to other years, including Year 11. Failure to follow the procedures properly can severely impact your results, and even jeopardise your eligibility for a HSC.

Please remember that Wade High School is a uniform school. You must wear full school uniform, including correct shoes EVERY DAY. If you are out of uniform, bring a note from home and you will be given a blue uniform note.

Miss Gorton, and the Jumper Committee have been busy designing our senior jumper. The design has now been selected, and Miss Gorton has arranged for you to select your size and pay your money. She will be sending the order off to the supplier soon, and we will most likely have them ready to wear in 2016.

Don’t forget that Mr Heron sends you all a weekly email that contains important information, reminders and some simple study tips. Please ensure that you check your school email regularly so that you do not miss anything important.

Keep up the great work, and remember that Miss Gorton and Mr Heron are always available to chat to you for whatever reason.

Mr Heron
Year 11 Year Advisor
(Located in English)

Miss Gorton
Year 11 Year Advisor
(Located in HSIE)
Crossroads 2015
As part of the ‘Running a Small Business’ topic, Year 9 Commerce held its Business Day on Thursday 15th October. As part of the task students had to develop and implement a business idea. Students were responsible for all aspects of the business including writing a proposal (to have their idea approved), developing a budget and marketing strategy, staff (student) responsibilities and running the businesses on the day. Businesses operated before school, during lunch and after school and included breakfast options such as bacon and egg rolls and pancakes, a BBQ, lollies and spiders. The day was a great success and in total the business earned $1300. Students learnt valuable lessons about the importance of budgeting, marketing and team work for successful businesses. A huge thank you goes to all the staff and students who supported the students in making the day such a success.
Library Report
Accelerated Reader

Congratulations to all the students for reading over the holidays and completing a quiz in their first AR lesson of term 4. These students received a zooper dooper voucher to spend at the canteen.

Accelerated Reader Facts:

Favourite books in 2015 (as voted by the students):
1. The Hunger Games
2. Harry Potter and the Chamber of Secrets
3. Catching Fire
4. Now
5. Divergent
6. Mockingjay
7. The Hobbit
8. The Fault in Our Stars
9. Football Legend
10. The Kid Who Saved Superman

10 most taken quizzes in 2015:
1. Boy Overboard
2. Diary of a Wimpy Kid: Hard Luck
3. Diary of a Wimpy Kid
4. The Game
5. Harry Potter and the Philosopher's Stone
6. Hitler's Daughter
7. Holes
8. The Hunger Games
9. Shark!
10. Trapped

Word count 2015:
1. Tahli O'Connor 1,616,841
2. Raiya Gyles 1,556,761
3. Natalie Gibbs 1,556,326
4. Amrit Kaur 1,555,013
5. Kirandeep Dhillon 1,541,734
6. Wayne Lawson 1,157,108
7. Jesse Pryor 1,095,389
8. Amelia Ellevsen 819,936
9. Elise Townsend 816,288
10. Angus Gunn 774,313

YEAr 7 REPORT

As we ease into Term 4, I want to remind Year 7 to be prepared for all classes and the upcoming assessment period and all students are encouraged to continue to work hard in their final term of Year 7. Students have also made their elective selections for Year 8 and will be informed of their successful choice in the not too distant future. Also, throughout this term in Thinking Thursday students have been involved in a variety of GATS programs including PDHPE, HSIE, Maths & Science with Languages in the coming weeks.

We have had many sporting successes in Year 7 this year and we continue with congratulations going out to Jenna Richards and Jessica Conlan and their teammates in the U15 Girls netball team who became Riverina Champions on Wednesday and will now head to Sydney. Staying with the theme of sport, the WHS Annual Sports Dinner will be held on Thursday 19th November at the Griffith Exies Club. At this event all students who have represented WHS in any sporting endeavour is acknowledged along with major award winners being named including the Sub-Junior Sports man & woman. I encourage Year 7 students who have been involved in sport to join us for the night and bring along their family and friends to make a night of it. The evening is always a great success and a good time to recognise the sporting talent at WHS.

I wish to inform you that Miss Baddock has been successful in gaining the position as Year 7 Advisor for 2016 and as such will no longer be Year Adviser for the current Year 7 group. Personally, I would like to thank Miss Baddock for all her help throughout the year as we shared the Year Adviser’s role and wish her well with her new year group. This means that I will be flying solo as Year Adviser until next year when Mrs Dossetor will be returning to Wade High and the role of joint Year Adviser after her time off on maternity leave.

Upcoming events:
- Year Meetings: Tuesday 3rd November
- Sports Dinner: Thursday 19th November
- Final date for Gold and Silver Awards: Monday 30th November
- Silver Award Morning Tea: Tuesday 8th December
- Gold Award Lunch: Monday 14th December
- WHS Presentation Night and Rehearsal: Tuesday 15th December
- Year 7 Report Ceremony: Wednesday 16th December

Fiona McKenzie
Year Advisor
Year 10 LOTE Excursion to Melbourne

In Week 1 of Term 4 Mrs Jones and Miss Wolfenden took their Year 10 Italian and German classes to Melbourne.

We departed on Wednesday morning on the train and arrived at 6.30pm. Right away, we were exposed to city life and experienced catching trams to get to our accommodation. After we checked in we made our way to ‘Vapiano’ an Italian restaurant which was followed by a quick walk to Federation Square.

The Immigration Museum was our first appointment on Thursday. We were able to gain an insight into why people have immigrated here to Australia. We heard stories ranging from the excitement of the ‘gold rush’ days to finding a better life after World War 1 and World War 2.

On Thursday evening we were fortunate enough to be part of the live audience on Channel 10’s ‘The Project’. We saw celebrities such as: Carrie Bickmore, Peter Hellier, Waleed Aly, Gretel Killeen, Lincoln Lewis, Sammy J and Randy. We had a wonderful time and it was a memorable experience for all concerned.

On Friday morning Mrs Jones took her Italian class to Lygon St where they visited the Italian Museum. Afterwards they enjoyed some sweet treats from ‘Brunetti’. Miss Wolfenden took the German class to the Goethe Institute where they participated in a fun lesson on various topics.

After some much needed shopping in Melbourne in the afternoon we all made our way to the German Restaurant ‘Hofbräuhaus’ for dinner. Chicken schnitzel, pork knuckle, sauerkraut, wiener sausage, potato dumplings, Bretzel were all on the menu. The evening continued with a hilarious floor show of German slap dancing, the Chicken Dance and a yodelling competition. That evening we packed up our belongings for the long train ride home the following morning.

Overall, the LOTE excursion brought the year group closer and the cultural experiences the students had left them with some fantastic memories.

Mrs Jones and Miss Wolfenden would like to thank all the students for their exceptional behaviour and for the respect they displayed towards each other.

We hope that we can make this an annual event.

Mrs Jones
Mathematics Faculty

Wow – how the year has flown by!!

It seems like only yesterday that we were meeting our classes for 2015 and already we are preparing for yearly exams!

Year 12 have completed their HSC exams for their Mathematics courses and are anxiously awaiting the results. Congratulations must go to the students who have been offered early entry positions for university. A great achievement!

Year 11 classes have started working through HSC content. It is important to note that Preliminary content is still examinable for the HSC exams so it is important that students prepare thorough summaries of their Year 11 work. The first assessments for the HSC are in Week 8 for Mathematics General 1, Friday Week 9 for Mathematics General 2, Mon Week 9 for Mathematics and Thursday Week 10 for Mathematics Extension. Students are reminded to follow proper assessment procedures for these assessments.

Students in Years 7-10 will be sitting their Yearly Examinations in Week 5. The times and periods for each class are posted on the noticeboard in the Maths corridor and can also be found on Facebook. Students are to ensure they are prepared for these exams by bringing the correct equipment, including a calculator, along to class. If students are absent for an exam, they are to inform their teacher and organise a time to complete the assessment.

As always, students are invited to attend the Lunchtime Homework program to receive any help with their homework or for revision for their yearly exam. The roster can be found on the noticeboard.

Thank you,

Mrs Kylie Hill
Head Teacher Mathematics
Year 10 - Are you ready to run your own company?

Venture into the world of running your own company. Assume management roles to run a virtual company, make important business decisions as you compete against other participating teams. Develop a new product, produce an advertising commercial, deliver a presentation to investors, write a company report and create an engaging trade display, all while working as part of a team.

**Australian Business Week 2015 starts on Monday November 16th (Week 7, Term 4).**

**Ensure that you pay your $20 to the office ASAP.**

For more information, see Mr Heron or Mrs Gabrio.
Students:
What’s in it for you!

ABW offers the opportunity to acquire the skills necessary to run your own company. In an exciting one week intensive program you will experience what it is like to run a multi million dollar company and make decisions which have real outcomes.

“From a business point of view, I believe this program delivers a hearty slice of real life in a concentrated dose” business mentor

Certificate of Participation
If you are an active participant you will receive a certificate to add to your CV that outlines the skills involved in the program that employers are looking for:

- Responsibility
- Tolerance
- Decision-making
- Public speaking
- Report writing
- Planning
- Organisational skills
- Support of others
- Mathematical ability
- Creative ability
- Implementing a plan
- Teamwork
- Leadership
- Computing skills
- Independence
- Communication skills
- Co-operative group work

“It is an excellent program that teaches you a lot of things that you would never learn in the classroom” student

Discovery Learning
ABW is like an in-school excursion! Normal lessons are suspended for the week and you work in teams to accomplish what seems at the beginning, an impossible task. Each team is supported by teacher and business mentors. Each student receives the ABW Participant Manual. You are not assumed to have any prior understanding. Lectures and videos cover Marketing, Operations, Finance as well as How to Make a Presentation.

Most students come away with a deeper self-awareness. In fact many students have credited ABW as a critical influence on their career decisions.

“It was brilliant. Totally wonderful, I learnt so much. If only all education was taught like this - hands on, practical and simulating real life. Best program ever done” student

You will be encouraged to use the combined initiative and resourcefulness of the people in your company to create a product, process or service and develop the promotional materials you believe will promote it best.

The wide variety of experiences in ABW differs from the usual school activities, allowing many students to discover talents which they may not previously have been aware of. Students find that the team decisions give them an opportunity to develop self-esteem and confidence, and talented students have a chance to delve into new areas of interest.

Considering an ABW program? Go to www.businesssimulation.com.au and select one of five simulations, for $5.97 you can compete against 3 cyber opponents and experience what it’s like to run your own business.
The ABW Challenge -
ABW is an intense learning experience conducted over one week. It gives young people the opportunity to learn about business from the business perspective, by working with business men and women.

Over the week, students:

- Form a company team of ten participants, each with an assigned role in the running of an IT, Manufacturing (sporting goods), Hospitality (200 bed hotel) or Retail (consumer electronics) company
- Review ABW student manual a comprehensive manual covering the key business areas
- Run a Computer Simulation Making up to 54 decisions each quarter, about price, product, target market, staffing, training, raw materials, production process, financing, dividends and share price
- Develop a marketing strategy for a new product or hotel theme
- Make a Prototype of the new product or create a new hotel theme
- Mount a trade display complete with promotional material
- Produce a 30 second video commercial featuring the new product or promoting their new hotel theme
- Prepare a written company report explaining decisions made, the outcomes and the impact on their company's performance
- Make an oral presentation of the company report to an audience of business people, teachers, students and parents

"ABW teaches you to put stress to the back of your mind, and concentrate on the job at hand. Also, it provides teamwork skills." Student

"As the week progressed it was a pleasure to see my son displaying growing enthusiasm for the information he was acquiring and the skills he was developing...above all he had a great deal of fun developing and learning in a practical way, as part of a well-structured team". Parent

Why school's run ABW -
I wanted a program that exposed students to stress and time management, a program that focused on issues to do with learning and where the teacher became facilitator, and a program that had Enterprise Education as a focus. ABW filled all these criteria. I have found no other program that does this with a whole year cohort." Principal

"I have learnt more about myself, and I found skills that I didn't think I had." Student

"To ensure equity and preparation for life after schooling, we need to embed such programs into the curriculum and into the life of a school... 130 students were also able to work with teachers and other adults in a completely different way to that usually experienced in the classroom and was, I believe, a very valuable life experience." Principal

"It was most definitely a worthwhile experience. It was BOTH fun and educational. I was surprised how much I learnt." Student

"The ABW program gave me a once in a lifetime experience that enabled me to engage myself in activities that heightened my friendships and knowledge, learning about others and myself. ABW develops teamwork, friendships, and work commitment, which overall is an enjoyable and memorable experience." Student

ABW Inter-School
ABW Inter-School enables single teams of students to test their skills and learn more about business and the economy by running their own Manufacturing, IT, Hospitality or Retail company over the internet and in competition with other student companies nationally and/or internationally. Log on to the ABW website for details.

ABW is a not-for-profit organisation that is supported by the Federal and State Departments of Education, Universities, Major Corporations, Local Business and Community Organisations. You can find out more about ABW by logging on to the ABW website.

www.abw.org.au
YEAR 12:
Congratulations to the fourteen Year 12 students who attended interviews and have already been notified of their Early Entry offer to the University of Wollongong: Joshua Foley, Liam Greenaway, Jessica Henley-Sadgrove, Macushla Shilson-Josling, Julia Panazzolo, Isaac Smith, Maddison Tyndall, Nathan Snaidero, Zoe Whitworth, Lily O’Keeffe, Imogen Hanna, Stewart Weigand, Bethany Hodge and Ben Trenerry. Some of these students have received two offers, so now they are in the enviable position of having to choose which one to accept. It is pleasing to see that the hard work and dedication of these students have been recognised even before they complete the HSC exams.

We have several students eagerly awaiting news regarding early entry offers from Charles Sturt University, University of Canberra, Australian Catholic University, Macquarie University, University of Western Sydney and La Trobe University. This should arrive in late November. A reminder to all Year 12s that Early Entry offers are made in UAC’s early December round (offers released on 3 December) and that they must have their preferred university as their number one preference by 30 November. No other preferences are considered in this early round.

YEAR 10:
Year 10 has a busy term ahead with lots of activities as well as their end of year exams. They have another opportunity to complete Work Experience in Week 8, 23rd-27th November and try another field of work they may be considering for the future. Hopefully this will bring them one step closer to deciding on a career path. Year 10s are reminded that the work experience forms must be submitted to Mrs Bergamin, Mrs Sutton or Mrs Smith as soon as possible.....deadline is 6th November. It is essential that all paperwork is correctly completed and returned to school for approval before Work Experience takes place. Students are advised to see their Careers teacher if they need forms or advice about this program.

IMPORTANT DATES TO REMEMBER

Work Experience Forms Due:
Friday the 6th November
Work Experience Week 8: 23rd – 27th November 2015

Some of our Year 10 students have been actively trying to obtain jobs or apprenticeships so that they can leave school at the end of the year. They have been writing resumes and application letters and will be learning about interview skills and techniques. Those wishing to obtain full time employment or apprenticeships are advised to apply now and not leave it until next year.

Make sure you check out the Wade High Careers website: wadehighcareers.com for the latest job and training opportunities and information.....Also a great site to explore career options.

Students are encouraged to involve themselves in school and community volunteer activities....it’s great for the resume and it gives you a sense of achievement and pride.

Congratulations to those students who have already organised School Based Traineeships for next year – they will be able to gain a vocational and technical qualification while still at school. Any Year 10 student who would like to be considered for a traineeship should see me in the Careers Room for more information. There is still plenty of time to organise this. However, if a traineeship is organised before the end of the term, students have the advantage of having part time paid employment over the next school holidays.

Year 11 students have started their HSC course this term and it is important that they are organised right from the start. Students are reminded to use a homework diary and a planning calendar, have their notes well organised and maintain a regular study routine. Most students will have at least one assessment task for each subject this term so they should aim to do their best in each of these. Remember the HSC is half school assessment.
Careers Report continued ……

Year 11s have been advised to choose a **teacher mentor** for their final year of schooling. Mentors can help with organisation and study skills, keep students motivated and on track and offer support and encouragement. Any student who would like a mentor can see me in the Careers Room or their Year Adviser— it’s never too late for this.

Many Year 11s have been interviewed over the past three weeks to discuss their progress, subjects for the HSC, future career plans and how to maximise their chances of success. Some students are working hard and should be congratulated for their effort in the Preliminary course. However, there are a number of students who need to focus more on schoolwork, follow the advice of their teachers and just work a lot harder. I would encourage all Year 11s to work towards achieving their goals and remember that the tougher the job, the harder you work, the greater the reward. **Study hard, keep your goals and dreams in mind and aim high. Never give up…great things take time.**

Students and parents are reminded that they are welcome to come and talk to myself or Mrs Sutton in the Careers Room if they have any questions or concerns regarding career plans or applications.

Anna Bergamin  
Careers Adviser

---

**Fact Sheet**

**LEUKAEMIA FOUNDATION**

**LIGHT THE NIGHT**

More than 60,000 Australian families face the challenges of leukaemia, lymphoma and myeloma every day. And every 46 minutes, someone receives the devastating news of a diagnosis.

**Light the Night** is an inspiring twilight walk where family, friends, and the community come together and shine beautiful lanterns of hope.

Each lantern symbolises a journey with blood cancer; Gold to remember someone, White for your own journey or Blue to show you care.

The money raised will ensure the Leukaemia Foundation can continue to help Australian families impacted by blood cancer by providing personalised support and funding research to find the cures of tomorrow.

Walk in hope for a future free of blood cancer at many locations across Australia. Visit lightthenight.org.au to find an event near you and sign up today.

The event starts with entertainment and food stalls then as night falls the lanterns glow brightly and guests begin on a gentle scenic walk to Light the Night.

To join us for this inspiring night visit lightthenight.org.au or call 1800 500 088 today.
Red Cross Big Cake Morning Tea

Our 2015 School Captains; Nathan De Valentin, Francesca Smith and Macushla Josling, attended the Red Cross Big Cake Bake Morning Tea on Wednesday 9th September at the Griffith City Library.

Sue Delves, the Project Officer Emergency Services, stated it was a pleasure to meet our school representatives and that they represented the school well, conducting themselves with composure, friendliness and mingling easily with community members.

Ms Delves was also really pleased with the response with over eighty people attending and raising over $240 in funds. As well as being a fundraiser the morning tea was a social occasion to meet local Red Cross branch members, CALD community members and promote the programs Red Cross run in Griffith.

Safer Drivers Course

This Safer Drivers Course has been designed by the Roads and Maritime Services (formerly the RTA) to establish safer driving practices for learner drivers under 25 years old who already have 50 hours real driving experience.

It will assist young learner drivers to:

- Improve their own levels of safety when driving, by learning how to manage road safety risks.
- Increase current driving skills and acquire new ones through a combination of classroom learning and practical supervised instruction from a professional driving instructor.

After the successful completion of module one and two of the course the learner will receive a twenty hours reduction in their log book (from 120 hours to 100 hours).

NRMA Safer Driving are facilitating Module One of this course on Wednesday November 25th.

The course will be held at the Leeton Shire Library for a total cost of $140.

Course numbers are limited to twelve people with a minimum of nine people required to run the course.

For further information and booking visit the NRMA Safer Driving website at: http://www.nrmasaferdriving.com.au or contact the Leeton NRMA office Ph. 6953 3600.
SRC Report

Wade High school was represented by sixteen students, four teachers as well as some community members. Students were punctual, polite and organised in putting together the sculpture and worked well as part of a team to complete it! This was a fantastic opportunity for our new Captains to get involved in the school spirit! Congratulations to the following students for taking part and representing Wade High with pride;

Ryan Moore, Gabriella Smith, Thea Bianchini, Isabelle Wood, Michaela Elvensen, Nicola Robinson, Shivagani Kumar, Katie Romeo, Angus Gunn, Hamish Gunn, Amrit Kaur, Mehak Preet Kaur, Lilly Bordignon, Fallon Millis, Tahli O’Connor and Sophie Torresan.
HSIE Report

The highlight of the start of Term 4 has most definitely been the Year 9 Commerce Business Day. Students took a different approach this year with businesses set up a different time slots throughout the day with the breakfast time slot being very profitable. See the full report later in the Wade Way for photos and overview of day.

The term has also been kicked off with a flurry of activity with all year groups completing assessments tasks, especially yearly exams in History, Geography and Commerce. Well done to Year 8, 9 and 10 who have completed their exams this week and followed the school core values of respectful, responsible, learners.

Year 7 are just starting the interesting topic of the ‘Spanish Conquest of the Americas’, with a focus on the Aztecs. Students have been learning about how these ancient people settled in present day Mexico and disappeared after the invasion of the Spanish and also their excellent use of technology. Year 7 will complete an in class assessment on this topic during Weeks 4 and 5.

Year 8 Geography have begun the interesting topic of Coral Reefs, based around the movie ‘Finding Nemo’ – discovering how important the fragile environment is and the impact humans can have. They have been busily completing an assessment for learning task around this important issue. Year 8 students are reminded they have their yearly examination is in Week 5 in class. Notifications with details of the exam were handed out to students during week 3.

Year 9 Geography students have been focussing on Natural Hazards and Disasters in Australia. They have been learning about this topic through a ‘Matrix’. This consists of students choosing the activities they enjoy from a matrix of 50 activities. They currently have an in class assessment on this topic which is due in week 6.

Year 10 have just finalised their exams and have almost finished their junior schooling in HSIE. We are fortunate to have a number of the students undertaking subjects in HSIE next year. We are also looking forward to the Transition Week with Year 10 in Weeks 9 and 10.

Year 11 HSIE classes have started their HSC Courses and from all reports from teachers, students have settled in well. Remember to start organising yourself now. Get yourself into some sort of routine that you feel comfortable with; it will pay off in the long run.

We wish Year 12 all the best with their exams as some of them are still yet to complete some exams in HSIE.

Miss S Johnson
Head Teacher HSIE

The Athlete's Foot

$5 from every pair of shoes purchased is donated back to our school.
The Athlete's Foot Griffith is our recommended supplier of approved school and sports shoes.
With a shoe expertly fitted by one of The Athlete’s Foot Fit Technicians, your child will have the right support for all of the school activities and sports they take part in every day.
The Athlete’s Foot stock a range of Ascent and Clarks school shoes to ensure there are options for everyone!
Even better, $5 from every shoe purchase is donated back to our school. And this applies to your whole family across their fantastic range of school, sports, work and casual shoes.
For more information about the program please call Glennis on 69642231.
PDHPE REPORT

7-10 PDHPE NEWS
Students in Years 7 - 10 are currently learning about the following areas in Term 4:

Year 7: THEORY – Cultural Identity  
PRACTICAL – Games - Around the World  
IN CLASS ASSESSMENT – Notified Week 4  

Year 8: THEORY – Influences, Decisions & Consequences  
PRACTICAL – Invasion Games  
IN CLASS ASSESSMENT – Notified Week 4  

Year 9: THEORY – Mind Matters  
PRACTICAL – Recreational Physical Activities  
IN CLASS ASSESSMENT – Notified Week 4  

Year 10: THEORY – Lifelong Healthy Living  
PRACTICAL – Electives  
IN CLASS ASSESSMENT – Notified Week 4  

TERM 4 - PRACTICAL LESSONS
As the weather warms up again it is timely to remind students again about our expectations in regards to participation and uniform in practical lessons. Staff will consider weather when planning lessons by either incorporating more shade and water breaks, less vigorous physical activities or taking them out of school grounds, for example, the Aquatic Centre. We expect that students participate in practical lessons to the best of their ability. Students MUST remember to bring drink bottles, a hat and reapply sun cream before PE lessons. Students are required to wear the correct Sports Uniform; including white sports shirt, black shorts & joggers.

7-10 PDHPE PRACTICAL LESSONS IN ACTION
DANCE

Congratulations to Miss Hartland and the Year 10 Dance Elective and Senior Dance students who performed in the Live to Dance Showcase at Wade High School on Thursday 22nd October. The event was very well attended and highlighted the talent, creativity and dedication of our dance students.
YEAR 11 CROSSROADS EXCURSION
To complement the PDHPE course in senior years at high school, YEAR 11 STUDENTS were required to complete the mandatory 25-hour Personal Development and Health course – Crossroads which took place as an overnight excursion to Borambola Sport and Recreation Centre – Wagga. Students had the opportunity to participate in a variety of activities including abseiling, rock-climbing, high ropes & archery. Thank you to Miss Mickenzie for organising the excursion and to Mr Heron and Miss Gorton who helped supervise the year group.

Congratulations to our Year 11 PDHPE, SLR & Dance students who have now finished their Preliminary Course. Our Year 12 HSC PDHPE students have also completed their final HSC PDHPE Examination last week and we look forward to catching up with you all at the Graduation Ball and Year 12 Morning Tea. Once again, we would like to wish all Year 12 students the very best in their future endeavours.

Also please check out the notice about the upcoming Sports Dinner!! We hope to see you there.

Cath Lees
